Escape the rat race – slow down to Island time and WALK

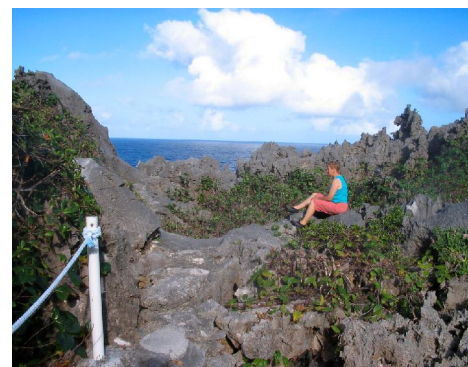

NIUE

- Small enough to fit inside Lake Taupo.
- Larger than the Cook Islands.
- A 63km road circles the island.
- Highest point 68m above sea level.
- Terrain easy, undulating, over two terrace levels.
- Unsealed bush tracks, forest trails.
- Island hugging reef.

Leisurely walks to enjoy the forest, bush, scenery and reef.

Distance walks to clock up the marathon kms. Walk all day, every day on DIY walks - planned walks - the choice is yours. But leave time to relax, swim, snorkel, reef walk. Arrive as strangers, leave as friends.
